/ outdoor shading

Maximum size (mm)
5,000(W) x 5,000(P)
x 2,800(H)

Various options are illustrated on this page. Please consult Pinz Customer Service on 08 8244 7888 or info@pinz.com.au for a complete range of options available.

The Zen is a sophisticated roman roof shading system that will add class and style to any outdoor area.

Either freestanding, attached to a wall, or fitted to existing structures, the Zen is manually operated with a rope and pulley allowing for quick and easy light and shade control.

Standard colour is white.

Powder coating is available at a surcharge.

Basic structure options

Mounted between walls or own structure

Wall-mounted with front legs (verandah) - Level 2 Shown

Free standing with four legs - Level 1 Shown
