Surya

/ outdoor shading

The Surya is a sophisticated roman roof shading system that will add class and style to any outdoor area.

Either freestanding, attached to a wall, or fitted to existing structures, the Surya is manually operated with a rope and pulley allowing for quick and easy light and shade control.

Standard colour is white.

Maximum size (mm)
5,000(W) x 5,000(P)
x 2,800(H)

Basic structure options

unlimited sizes (using additional units)
